Dear Mr Phillip Sharland,

**Environmental Permitting – Recovery or Disposal Operation**  
**Pre-application Reference: EPR/JB3905HY/A001**  
**Proposed Operator: Marshalls Mono Ltd**  
**Regulated facility: Pasture House Quarry**  
**Site Address : Church Lane, Southowram, Halifax, HX3 9TD**

As part of our pre-application discussions, you have submitted information to us that includes your assessment that the activity you wish to undertake at your site amounts to a recovery operation.

We have now fully considered your submission and we would like to advise you that:

We agree with your assessment that your activity is a recovery operation. This advice is based on the information you have provided in relation to waste types, amounts and nature of proposal including any proposed landform. If you change any of these between now and when you submit an application form, this advice may no longer apply. **Please also note that following submission of an application, additional assessment will take place (for example, further assessment of the proposed waste types based on the sensitivity of the site location) and therefore agreement that an operation is a recovery activity does not guarantee that a permit will be granted or a variation issued.**

For the sake of clarity, the following documents are considered to form the approved waste recovery plan;

- Waste Recovery Plan
- ROMP\_P23-23 (Final Restoration – Permitted) P23-20 (1)

If you have any questions please phone me or email [Duncan.sharples@environment-agency.gov.uk](mailto:Duncan.sharples@environment-agency.gov.uk)

Yours sincerely

Duncan Sharples
