Dear Jennifer Stringer

Environmental Permitting (England and Wales) Regulations 2016

Application reference: EPR/NP3699ZH/V005

Operator: ELLETE WASTE LTD

Facility: Former Mearclough House, Mearclough Road / Fall Lane, Sowerby Bridge, HX6 2AY

Thank you for your application received on 09/04/2025.

As outlined in Section 3.3.3 of the Charging Guidance, a *substantial variation* to your waste permit is required if you intend to make a change that would significantly increase the risk from your operations.

Since you are changing your waste facility from a **Household, Commercial, and Industrial Waste Transfer Station** to a **Hazardous Waste Transfer Station**, you are required to pay the following substantial variation charge for the replacement activity:

- **1.16.5 – Hazardous Waste Transfer Station: Substantial Variation Fee – £7,172**

Additionally, as you are adding the **treatment of hazardous and non-hazardous waste** to your permit, you must also pay for the inclusion of a new activity:

- **1.16.13 – Physical Treatment of Hazardous Waste: Bespoke Fee – £7,930**

You have also paid an incorrect amount for the Emissions (dust) Management Plan. The correct fee is:

- **Emissions Management Plan – £1,241**

Furthermore, the charges for the other required management plans are as follows:

- **1.19.3 – Fire Prevention Plan** (excluding farming installations) – £1,241
- **1.19.7 – Noise and Vibration Management Plan** (excluding farming installations) – £1,246

Total Fee Required: £18,830

You have already paid **£11,037**, therefore the **remaining balance to be paid** is **£7,793**.

2. The Continuing Competence (CC) certificate for the treatment of hazardous waste (TMH) expired on 19/09/2025, and the CC certificate for the transfer of non-hazardous waste (TSNH) will expire on 29/09/2025.
- Please provide evidence of booking onto the relevant course(s) and subsequently submit up-to-date Continuing Competence certificates for both TMH and TSNH. Please reply directly to this email with your information and copy in Aarti.Kaushal1@environment-agency.gov.uk.
