Subject: S Norton Barking Facility EP Variation Application

Hi Jonathan, Please see the application pack for the EP Variation and Consolidation of Barking Metal Recycling Facility (permit ref.: EPR/CB3807HV). I previously submitted the application on 07/09/23 via file transfer to the EA's PSC inbox but I understand from Isobel Beech that it hasn't been received. Best regards, Matt Sargent (submitting on behalf of S Norton)
