Morning [REDACTED],

This email is intended to act as a response to two of the requests found in your latest **WDA Schedule 5 Notice** (not HRA). Specifically, the reports are intended to address the following EA Requests:

- EA Request 2 - Please provide a copy of the latest version of technical report (TR): TR354 Sizewell Brackish ponds salinity monitoring. Cefas, Lowestoft.
SZC response: Please find updated report attached
- EA Request 5 - Please provide an updated version of technical report (TR) TR193 (appendix B of the SZC WDA permit app) to incorporate within section 15 (Appendix B) for the derivation of Hydrazine predicted no effect concentrations (PNECs), the additional supporting information provided within Hinkley Point C's construction WDA permit variation's TR4452, section 6 (Appendix A) A3 (pages 74 to 76).
SZC response: Please find updated report attached

If you need any further information on the above, let me know.

We are in the process of closing out the remaining two requests (IRs 1 & 2) and endeavour to have this with you as soon as possible. Please note, we will have this formally submitted after the receipt of all responses within this Notice.

Best,

[REDACTED]
