Hi All,

I just wanted to make you aware that our Company Manual, referenced within both WDA and CA application 100200192 version 2, has been updated. It is now (100200192) version **4**.

I know [REDACTED] in the RSR team is aware of this update and future editions if you wanted to understand further.

Otherwise please let me know if you have any questions or if there is anything further I need to do.

Hope you are all well.

Kind regards
