Subject: Angus Fire - Permit Variation and request for Further Information

Dear [REDACTED]

Please find attached our response to you letter requesting further information on 14th June 2025 as well as a revised application to vary the Environmental Permit EPR/XP3832NV/V004 and supporting documentation.

Please note that due to difficulty in sending the Access version of the H1 Assessment, I will send this in a separate email.

If you have any further queries, please feel free to contact me or any of the team directly.

Kind regards

Lisa Jobling
