

Key

Drainage/Sewer Lines

- Red Line
- Yellow Line
- Orange Line
- Black Line
- Purple Line
- Dark Blue Line
- Blue Line
- Brown Line
- - - Wastewater Treatment Plant/Former Lagoon Drainage
- - - Inferred Connection
- Roof Fall

Factory Departments

- FP - Foam Production
- HFD - Hose Finishing Department
- LV - Long Length Vulcanising Department
- EPD - Engineering Products Department
- BHW - Bulk Hose Warehouse

- Site permit variation boundary
- Inferred area of stormwater and potential infiltration of shallow groundwater (where possible) capture
- Extended area where shallow groundwater via land drain capture has been redirected into "yellow line" and is therefore additionally captured

Estimated Extent of Stormwater Capture For PFAS Treatment and Site Permit Variation Boundary Overlaid
