Dear Sir/Madam

**Environmental Permit Application: Angus Fire Limited, Bentham
Fire Fighting Chemicals Permit reference: EPR/XP3832NV**

Date
29th April 2025

Enclosed is a copy of an application to vary the existing Environmental Permit EPR/XP3832NV made in accordance with Schedule 1, Part 2, Section 1 of the Environmental Permitting (England and Wales) Regulations 2016 (as amended) for the Bentham Fire Fighting Chemicals installation operated by Angus Fire Limited (the "Applicant").

The variation covers the operation of a water treatment process to improve the quality of discharge of contained stormwater from the installation. The variation also requests the removal of redundant emission points associated with activities no longer undertaken at the site.

The application has been prepared in accordance with relevant Environment Agency guidance and comprises the following elements:

- Application Forms (A, C2, C3, C4, C6 and F1);
- Operations Report; and
- H1 assessment tool.

A payment of £8,709 will be made by Angus Fire Limited via electronic transfer on 29th April 2025, the payment will be referenced as PSCAPPINSTANGUS251. We request that you confirm receipt and payment of the application fee by way of reply. We trust you have all the information you need to progress with the determination of the variation of the Permit, and we look forward to confirmation that the application is considered to have been duly made.

Yours sincerely
