Dear Clive

**Skelton Grange Road, Stourton, Leeds**

Thank you for your letter dated 28 September 2011 in connection with the above.

We have reviewed the information provided and are happy for the proposed development to proceed, subject only to the proposed condition that it could have the potential to create a bird attractant and as such we would request that all possible is done to minimize such risks. Please provide method statements and risk assessments as evidence that this has been done. Beyond this, we see no potential issues at this stage.

Please keep us fully informed of any progress or changes with the proposed development.

During future consultation with us on this matter, please quote our full file reference in all communications.

Yours sincerely

David Smillie  
Head of Airside Operations
