Dear Mr Saul

**ENERGY RECOVERY FACILITY (INCINERATION OF WASTE AND ENERGY GENERATION), ASSOCIATED INFRASTRUCTURE AND IMPROVEMENTS TO ACCESS AND BRIDGE SKELTON GRANGE ROAD, STOURTON, LEEDS**

Thank you for the Draft response relating to the Environment Agency's groundwater objection.

The additional information submitted in support of sub-water table fuel bunker for the proposed energy from waste facility will be adequate to allow the objection under Groundwater Protection Policy 3 to be removed.

We look forward to receiving the formal submission so that the objection can be formally withdrawn, and relevant conditions to be recommended.

Yours sincerely

**Mr Zulfiqar Ali**  
**Planning Officer**
