Dear [REDACTED]

**Your environmental permitting application is duly made**

**Environmental Permitting (England and Wales) Regulations 2016**

**Application reference: EPR/AP3526LV/A002**

**Operator: Energy Ventures No1 Ltd**

**Facility: Selby Energy Recovery Plant, Aviation Road, Leeds, LS25 6NF**

I'm writing to let you know that your application is duly made as of 21/11/2025. 'Duly made' means that we have all the information we need to start determination. Determination is where we assess and make a decision on your application.

I have also been assigned your application for determination. If I require any further information, I will be in touch.

As mentioned previously, the site will need to undergo Advertising to inform the local public. I will be in touch about this as soon as internal consultation begins. We'll explain what we need and how long you have to provide it.

For further information on the permitting process, please see [Environmental permitting guidance: Core guidance](#).

If your application contained a request for confidentiality, we'll write to you separately about our decision on that.

If you have any questions in the mean time, please email [REDACTED]

Yours sincerely,
