

Part F1 (Additional Sheet)

Table 1 – Type of Application (full number of activity being applied for in each column)

Installation	Waste	Mining Waste	Medium Combustion Plant (MCP)/Specified Generator (SG)	Water Discharge	Groundwater Activity
2 x minor variations to surrender all Schedule 1 activities (AD)	1 x application to add a waste operation (MTR – physical treatment) 2 x normal variations (HWRC and TLS)				

Table 2 – Charge Type

Activity Reference	Description	Charge Type	Fee
1.16.12	Physical treatment of non-hazardous waste	New application charge to add activity	£8,231.34
1.16.2.2	Section 5.4 (a)(ii) - non-hazardous waste installation – physico-chemical treatment for disposal	Minor variation to remove activity	£4,186.25
1.16.2.1	Section 5.4 (a)(i) and (b)(i) – non-hazardous waste installation – biological treatment	Minor variation to remove activity	£4,355.45
1.16.6	Household, commercial and industrial waste transfer station; includes assessment of fire prevention plan and odour management plan	Normal variation	£4,762.34
1.16.11	Household waste amenity site taking hazardous waste; includes assessment of fire prevention and odour management plan	Normal variation	£4,115.67
1.19.5	Emissions and dust management plan	-	£1288.16
1.19.7	Noise and vibration management plan	-	£1293.35
1.19.2	Habitats assessment	-	£808.60
Total²			£29,041.16

Please note the pre-application request response requested fees for the assessment of fire prevention and odour management plans but these have not been included based on advice on other applications, that these fees are already included in charges 1.16.6 and 1.16.11 listed above. So the revised total based on 2026 charges is £29,041.16.

Question 6 Application Checklist

Question reference	Document title	Document Reference
Part A, Question 5c	Operator Information	EP6
Part C2, Question 1a	Pre-application Advice	EP7
Part C2, Question 2b	Non-Technical Summary	EP4
Part C2, Table 1a	Non-Technical Summary	EP4
Part C2 Questions 3a-d and Appendix 2	Operator Information	EP6
Part C2, Question 5a	Site Infrastructure Plans	EP8, Section 1.1
Part C2, Question 5c	Non-Technical Summary	EP4
Part C2, Question 5e	Fire Prevention Plan	EP8, Section 1.7
Part C2, Question 6a	Environmental Risk Assessment	EP8, Section 1.3
Part C3, Questions 1 and 3a1	Part C3 (Additional Sheet)	Part C3 (Additional Sheet) – appended with the Part C3 application form
Part C3, Question 1 and Table 2	Non-Technical Summary	EP4
Part C3, Table 4	Dust Management Plan	EP8, Section 2.2
Part C3, Table 4	Odour Management Plan	EP8, Section 2.1
Part C3, Table 4	Operations & Emissions Management Plan	EP8, Section 1.2
Part C4, Questions 1, 4a and 4b	Non-Technical Summary	EP4
Part C4, Table 3b	Dust Management Plan	EP8, Section 2.2
Part C4, Table 3b	Odour Management Plan	EP8, Section 2.1
Part C4, Table 3b	Operations & Emissions Management Plan	EP8, Section 1.2
