Dear Kieran Ball,

Environmental permitting application

Application reference: EPR/BP3620MK/A001

Operator: RGE Recycling Limited

Facility: RGE Recycling Ltd, Royal Eagle Close, Rochester, ME2 4NF

Thank you for your application received **21/11/2025**.

Unfortunately we need more information before we can continue working on it.

Please provide us with the following by 03/12/2025

- **WAMITAB certificate and most recent Continuing Competence Certificate**
- **Full Date of Birth for Ryan Eastwood**

If you need advice about completing the form, or work out what your fee is, we offer limited pre-application advice on how to prepare your application at no extra charge. If more help is needed, we also offer a discretionary enhanced pre-application service. This service is chargeable at a rate of £100 per hour. For further details and a pre-application request form, please see our website: <https://www.gov.uk/guidance/check-if-you-need-an-environmental-permit>

If you email or write to us please quote the application reference
EPR/BP3620MK/A001 on any correspondence and send it to the relevant address
below.

When we receive the missing items we'll continue to check the details in your
application. If there's enough information for us to begin the process of deciding
whether or not we can grant your application we say the application is 'duly made' and
we'll let you know this by letter. If we need further information before we can say it's
duly made we'll let you know what is required.

If we don't receive the missing items by 03/12/2025 we'll return your application form.

Kind regards

Harace Hussain
