Screening Report: Bespoke Waste

Reference	EPR/LB3404KN/A001
NGR	SP 64678 28638
Buffer (m)	1100
Date report produced	13/06/2022
Number of maps enclosed	2

The protected species and habitats identified in the table below must be considered in your application.

Protected Species Screening distance (m) Further Information

Code 2	up to 500m	Natural England Appropriate Local Record Centre (LRC)
--------	------------	--

Protected Habitats Screening distance (m) Further Information

Deciduous woodland	up to 50m	Natural England
--------------------	-----------	---------------------------------

Unfortunately we cannot provide you with the details of all protected species. This is because we either have not been given permission by the owner of the species data, or they have asked us not to identify the species as they are vulnerable. In these instances you must contact the relevant organisation listed above. A small administration charge may be incurred for this service.

Where protected species are present, a licence may be required from [Natural England](#) to handle the species or undertake the proposed works.

Please note we have screened this application for protected and priority sites, habitats and species for which we have information. It is however your responsibility to comply with all environmental and

planning legislation, this information does not imply that no other checks or permissions will be required.

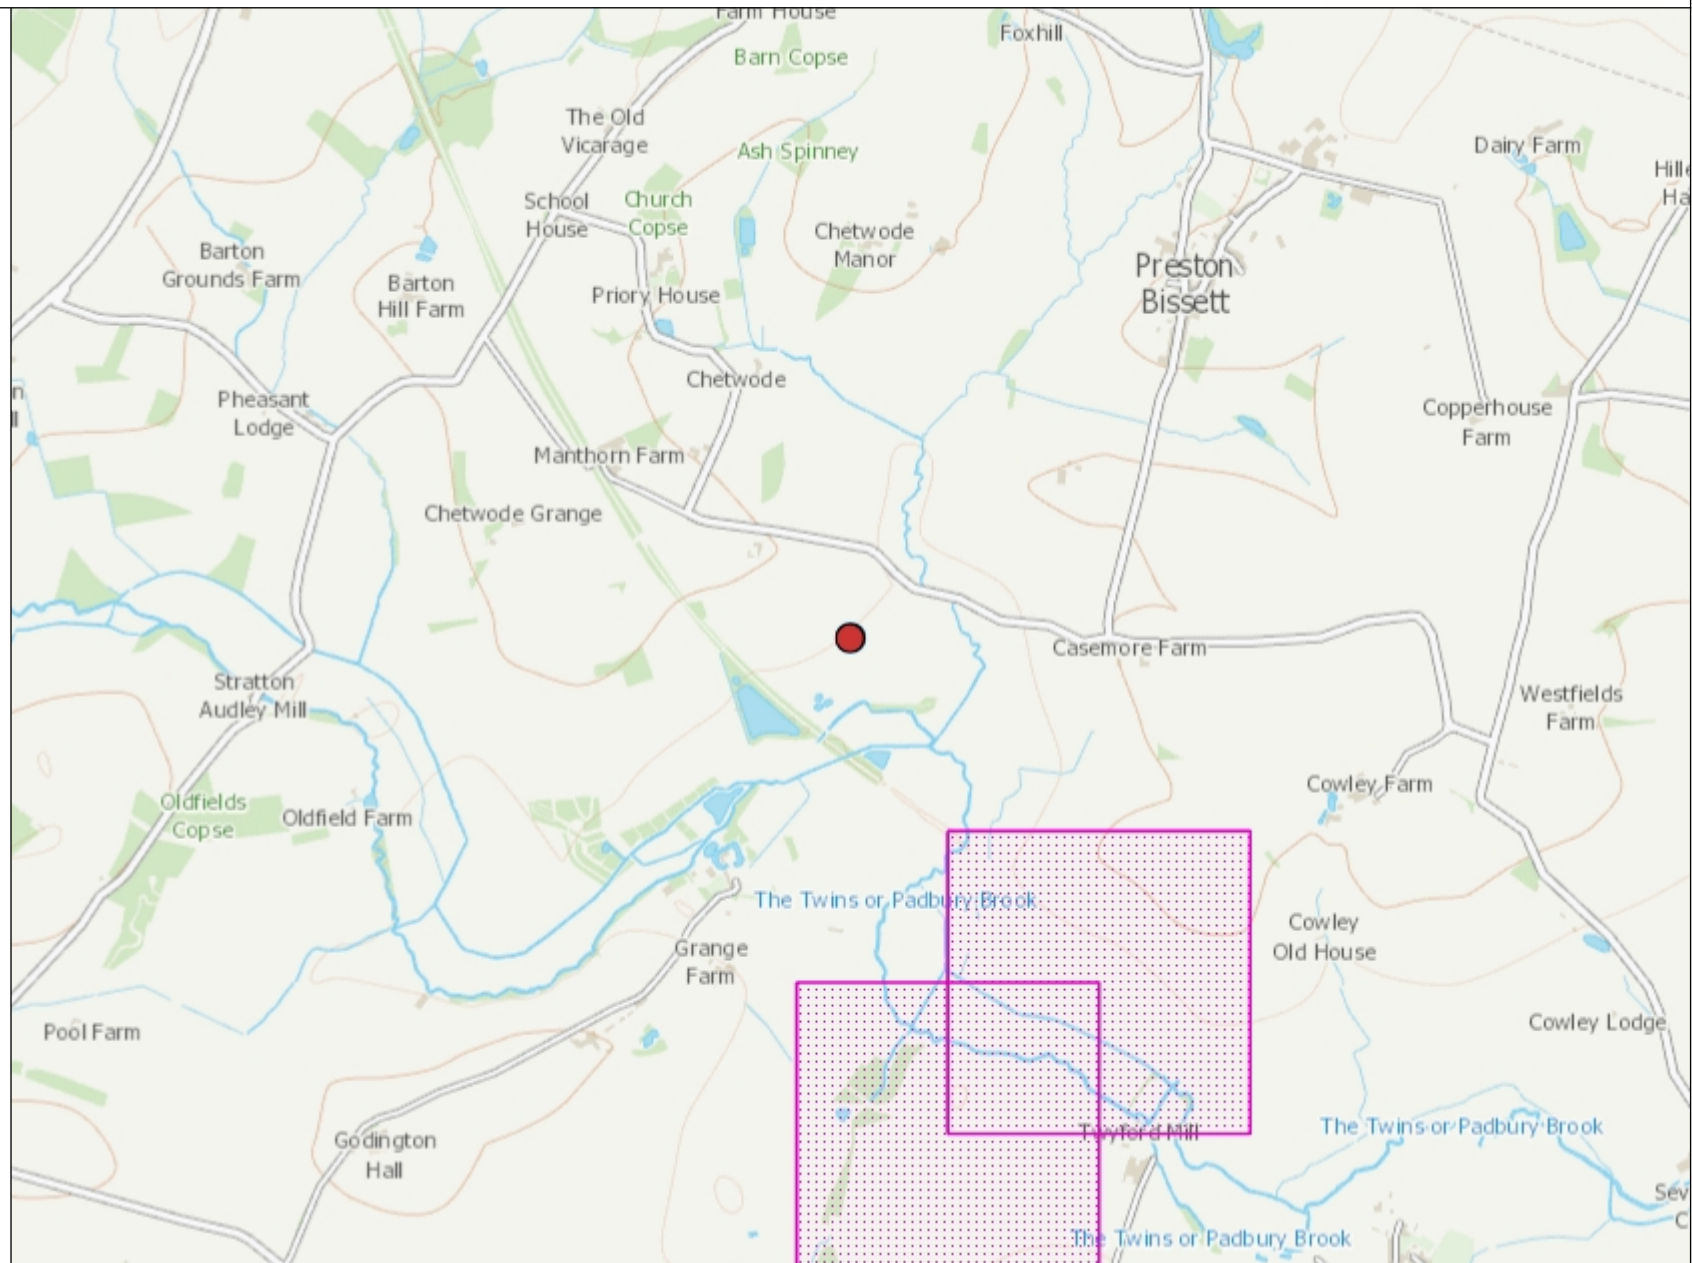

Please note the nature and heritage screening we have conducted as part of this report is subject to change as it is based on data we hold at the time it is generated. We cannot guarantee there will be no changes to our screening data between the date of this report and the submission of the permit application, which could result in the return of an application or requesting further information.

Protected Species

Legend

Protected species screened for Env Permits - complete set

-  Protected species, non fish
-  Protected fish
-  Protected fish migratory route

Protected Habitats

Legend

-  Protected Habitats screened for Env
Permits
