

Note.

1. Mapped locations of assets and extents of Landscape Earthworks are based on scheme design information received on 21/07/2020
2. Landscape Earthworks annotated to receive Made Ground is based mass haul information received from EKFB on 17/09/2020.
3. Zoning of Landscape Earthworks are based on the agreed zoning system with the Environment Agency (EA).
4. The zones are indicative and relies on available ground investigation data and published geological maps to delineate geological extents, aquifer designation and groundwater levels.
5. See the respective Appendix 6/14 and 6/15 of the Earthworks Specification for assets and the Remediation Strategy Report/Verification Plans for details on how to apply the zones and MGR re-use criteria.
6. This map is for indication purposes only.
