Hello Permitting Officer,

I can confirm in writing that we no longer wish to include the changes to the boiler stack heights from 2 x 36m to 22m and therefore the H1 assessment not required.

Apologies for any confusion,

Hello,

I have been allocated this application for duly making purposes. I have spoken to (Redacted) about your application.

Please could you confirm in writing that you no longer wish to include the changes to the boiler stack heights from 2 x 36m to 22m and hence the H1 assessment not required.

Many thanks

Permitting Officer
