Reference: The Wave London Waste Recovery Permit Application

To Whom it May Concern,

Enfield Council are aware of and are supportive of The Wave London's plans to develop the site currently occupied by the Lee Valley Golf Course into an inland surfing destination. The Wave London will need to go through the planning process in full, but have the support of the council as we believe that this development will bring significant health, social and economic benefits to the area.

We are supportive of The Wave's application to the Environment Agency for the purposes of a Waste Recovery Permit and will also be supporting their planning application.

Yours Sincerely,

Brett Leahy
Strategic Director of Planning, Growth and Infrastructure

Enfield Council has launched a series of 14 e-newsletters covering a range of topics that provide residents with more frequent Council news and service updates. More than 40,000 people have already signed up, make sure you're one of them. You can register at www.enfield.gov.uk/enewsletters
