Please provide your comments on the environmental permit application received from White Rose Farms Limited:

Thank you for this consultation.

I have considered the proposed activity, the location in relation to neighbouring residential properties and the documentation received. I can confirm that as a result of this and the documentation included (e.g. noise and odour reports) I do not have concerns that neighbours would be impacted by this proposal.

Therefore, no objections or further suggestions.

Kind Regards

Jonathan Smith
Principal Officer
Environmental Control
East Riding of Yorkshire Council
