Dear Sir/Madam

Please see attached an application for an Installation and Waste Operation Permit on behalf of Donald Ward Limited. The application has had pre-application discussions with Paul Fernee, Andy Bee and Paivi Porali-Perrell [who I agreed I would copy into this application email]. The application is for the former Unimetals Recycling (UK) Limited Metal Shredder facility at Nottingham.

I would welcome confirmation of receipt of the application at your earliest convenience.

Please note that the full application fee as detailed in Form Part F, was paid in full via BACS to the Environment Agency, yesterday [18 February 2026].

Yours faithfully

Kind Regards,

Victoria Jones

Head of Environment and Sustainability
