Subject: RE: Wellingborough IBA Recycling Facility Permit application EPR/KP3902MB

The application referenced above and submitted 17th May 2022, included two different COTC holders Certificates and their continuing competency certificates. One of those certificates has now expired (Michael Woodward's), but Mark Norris's remains valid, so please treat this as the only one in respect of this application so that an expired Certificate is not a reason for saying it isn't duly made.
