Lotus Light Weight Structures Anodising  
Sywell Road,  
Park Farm South,  
Wellingborough,  
Northamptonshire,  
NN 6XD

— Site Boundary/Condition Report Boundary

● - Emission Point

**Site Outline Map**

Receptors – The site is bordered by a shallow tree line on two sides with grassed areas with some mature hedging. Hard concrete standing for HGV and vehicle parking exists and covers a large proportion of the rear service yard.
