Hi Danny,

Please see attached documents. Do you have any idea when the transfer will be issued? Both BPL and Copperfield Enterprises are keen to move forward with the farm.

Many thanks,

Good Afternoon

Hello Tom, hope all is well. After looking at our systems, we can't progress this Application until the Transfer Application (EPR/FP3409LQ/T002) is issued. This is because our system won't let us log a Variation until the original Application (Transfer - EPR/FP3409LQ/T002) is issued. But, it is important to get both sets of documents in. As soon as I can log this, I will do so. But please do submit the Declaration and the Site Plan, so when I can log this, I will be able to at that time. If anything else is needed, please do let me know.

Kind Regards

**Danny Dunstan**
