

**Subject:** ISO14001 Accreditation ReFuels

**Date:** Tuesday 1 October 2024 at 11:52:39 British Summer Time

**From:** Steven Bell

**To:** Mike Taylor

Morning Mike,

Hope you're well.

Thanks for your instruction to commence implementation of ISO14001 for ReFuels.

As advised I'll engage NQA today regarding audit dates for Stage 1 & Stage 2 and revert thereafter with the timeframe and associated costs.

For the purpose of internal planning, I'd expect full accreditation to ISO14001 by March 2025.

Best regards

Steven
