

Product: Buffalo Hot Sauce Paste
Code: 251BUF3

1. Substance/preparation and company identification

Company: Jardox Ltd

Contact address:

Sevenoaks: Vestry Estate, Otford Road, Sevenoaks, Kent, TN14 5EL

Wincanton: Saxon Way, Wincanton Business Park, Wincanton, Somerset,
BA9 9RT

Telephone: 01732 456254

Emergency information: Paul Carver - 07702 437301

2. Composition/information on ingredients

Please refer to Product Specification 251BUF3

3. Hazard identification

This product does not present a toxicological hazard

4. First-aid measures

General advice: This product is designed for human consumption and when used in accordance with our recommendations should be safe for that purpose. However, it would be unwise for any employee who suffers from or is pre-disposed to any skin allergy to allow this product to come into prolonged contact with the skin.

If Inhaled: Remove patient to fresh air

On Skin Contact: Prolonged contact with the skin should be avoided, if the product should come into contact with the skin, the area should be washed with soap and water

On contact with eyes: In the event of the product reaching the eye the immediate first aid treatment is prolonged irrigation with sterile eye wash. The person should be medically examined as soon as possible

On ingestion: If swallowed no action should normally be required. Ingesting milk or water will alleviate the product after-taste

Product: Buffalo Hot Sauce Paste
Code: 251BUF3

5. Fire-fighting measures

Suitable extinguishing media: This product is non-flammable and does not normally support combustion or present an explosion risk. Water fog, foam or CO2 fire extinguishers should be used to extinguish fires

Unsuitable extinguishing media for safety reason: N/A

Specific hazards: N/A

Special protective equipment: N/A

6. Accidental release measures

Personal precautions: N/A

Methods for cleaning up or taking up: Spillages should be dealt with immediately. The area should be cleaned and thoroughly rinsed with warm water. The wastewater can be flushed on to the sewage system

7. Handling and storage

Handling: Handle in accordance with good hygiene and safety practice

Protection against fire and explosion: N/A

Storage: Store at ambient temperature in a cool, dry place away from direct sunlight in unopened original packaging

8. Exposure controls and personal protection

Personal protective equipment

Respiratory protection: N/A

Eye protection: N/A

General safety and hygiene measures: Prolonged contact with the skin should be avoided and overalls are recommended to avoid odorous contamination of personal clothing

Product: Buffalo Hot Sauce Paste
Code: 251BUF3

9. Physical and chemical properties

Appearance, Flavour/Aroma, pH value: Please refer to Product Specification
251BUF3

Melting point: N/A

Flammability: This product is non-flammable

Fire promoting properties: N/A

Density: N/A

Bulk density: N/A

10. Stability and reactivity

Thermal decomposition: N/A

Substances to avoid: N/A

Hazardous reactions: N/A

Hazardous decomposition products: N/A

11. Toxicological information

LD50/oral/rat: N/A

Primary irritations of the mucous membrane: N/A

12. Ecological information

Ecotoxicity

Toxicity to fish: N/A

Aquatic Invertebrates: N/A

Persistence and degradability

Assessment: N/A

Bioaccumulation potential: N/A

Product: Buffalo Hot Sauce Paste
Code: 251BUF3

13. Disposal considerations

Check with your local Authorities

14. Transport information

Land transport

ADR: N/A

RID: N/A

Inland waterway transport

ADNR: N/A

Sea transport

IMDG/GGVSee: N/A

Air transport

ICAO/IATA: N/A

15. Regulatory information

Regulations of the European union (labelling) / National legislation/regulations

Hazard symbol (s) N/A

R-pharse (s): N/A

S- phrase (s): N/A

Other Regulations: N/A
