
Issue Date: 07.05.2021
Product: Dhal Paste
Code: 251DHL01

Version: 1.0

1.Substance/preparation and company identification

Company: Jardox Ltd

Contact address: Vestry Estate, Otford Road, Sevenoaks, Kent, TN14 5EL

Telephone: 01732 456254

Emergency information: Paul Carver – 07702 437301

2. Composition/information on ingredients

Please refer to product specification 251DHL01

3. Hazard identification

This product does not present a toxicological hazard

4. First-aid measures

General advice: This product is designed for human consumption and when used in accordance with our recommendations should be safe for that purpose. However it would be unwise for any employee who suffers from or is pre-disposed to any skin allergy to allow this product to come into prolonged contact with the skin

If Inhaled: Remove patient to fresh air

On Skin Contact: Prolonged contact with the skin should be avoided, if the product should come into contact with the skin, the area should be washed with soap and water

On contact with eyes: In the event of the product reaching the eye the immediate first aid treatment is prolonged irrigation with sterile eye wash. The person should be medically examined as soon as possible

On ingestion: If swallowed no action should normally be required. Ingesting milk or water will alleviate the product after-taste

Note to Physician:

Issue Date: 07.05.2021

Version: 1.0

Product: Dhal Paste

Code: 251DHL01

5. Fire-fighting measures

Suitable extinguishing media: This product is non-flammable and does not normally support combustion or present an explosion risk. Water fog, foam or CO2 fire extinguishers should be used to extinguish fires

Unsuitable extinguishing media for safety reason: N/A

Specific hazards: N/A

Special protective equipment: N/A

6. Accidental release measures

Personal precautions: N/A

7. Handling and storage

Handling: Handle in accordance with good hygiene and safety practice

Protection against fire and explosion: N/A

Storage: Store at ambient temperature in a cool, dry place away from direct sunlight in unopened original packaging

8. Exposure controls and personal protection

Personal protective equipment

Respiratory protection: N/A

Eye protection: N/A

General safety and hygiene measures: Prolonged contact with the skin should be avoided and overalls are recommended to avoid odorous contamination of personal clothing

Issue Date: 07.05.2021

Version: 1.0

Product: Dhal Paste

Code: 251DHL01

9. Physical and chemical properties

Form: Paste

Colour: Brown colour

Flavour/Aroma: Savoury tomato and mild curry.

pH value: N/A

Melting point: N/A

Flammability: This product is non-flammable

Fire promoting properties: N/A

Density: N/A

Bulk density: N/A

Solubility in water:

10. Stability and reactivity

Thermal decomposition: N/A

Substances to avoid: N/A

Hazardous reactions: N/A

Hazardous decomposition products: N/A

11. Toxicological information

LD50/oral/rat: N/A

Primary irritations of the mucous membrane: N/A

Additional information

12. Ecological information

Ecotoxicity

Issue Date: 07.05.2021

Version: 1.0

Product: Dhal Paste

Code: 251DHL01

Toxicity to fish: N/A

Aquatic Invertebrates: N/A

Persistence and degradability

Assessment: N/A

Bioaccumulation potential

Additional information

13. Disposal considerations

14. Transport information

Land transport

ADR: N/A

RID: N/A

Inland waterway transport

ADNR: N/A

Sea Transport

IMDG/GGVSee: N/A

Air transport

ICAO/IATA: N/A

Further information

Issue Date: 07.05.2021

Version: 1.0

Product: Dhal Paste

Code: 251DHL01

15. Regulatory information

Regulations of the European union (labelling) / National legislation/regulations

Hazard symbol (s) N/A

R-phrase (s) N/A

S- phrase (s) N/A

Other Regulations

16. Other information
