

Issue Date: 13.03.2024

Version: 2.0

Product: Tikka Paste

Code: 01V75-TI-43

1.Substance/preparation and company identification

Company: Jardox Ltd

Contact address:

Sevenoaks: Vestry Estate, Otford Road, Sevenoaks, Kent, TN14 5EL

Wincanton: Saxon Way, Wincanton Business Park, Wincanton, Somerset, BA9 9RT

Telephone: 01732 456254

Emergency information: Paul Carver – 07702 437301

2. Composition/information on ingredients

Please refer to Product Specification 01V75-TI-43

3. Hazard identification

This product does not present a toxicological hazard

4. First-aid measures

General advice: This product is designed for human consumption and when used in accordance with our recommendations should be safe for that purpose. However, it would be unwise for any employee who suffers from or is pre-disposed to any skin allergy to allow this product to come into prolonged contact with the skin

If Inhaled: Remove patient to fresh air

On Skin Contact: Prolonged contact with the skin should be avoided, if the product should come into contact with the skin, the area should be washed with soap and water

Document	D 233	Issue no	3	Issue date	23.02.2024	Issued by	Mariola Dytyniak	Page 1 of 5

original packaging

8. Exposure controls and personal protection

Personal protective equipment

Respiratory protection: N/A

Eye protection: N/A

General safety and hygiene measures: Prolonged contact with the skin should be avoided and overalls are recommended to avoid odorous contamination of personal clothing

9. Physical and chemical properties

Form: Dark red viscous paste

Flavour/Aroma: Mixed Spices, Earthy & Subtle Tomato / Mixed Spices

pH value: N/A

Melting point: N/A

Flammability: This product is non-flammable

Fire promoting properties: N/A

Density: N/A

Bulk density: N/A

Solubility in water:

10. Stability and reactivity

Thermal decomposition: N/A
