Issue Date: 05.02.2018  
Product: Fish Bouillon Powder  
Code: 251-F-02

---

Version: 1.0

Note to Physician:

---

## 5. Fire-fighting measures

Suitable extinguishing media: Low fire and explosion hazards – High Flash Point  
Extinguish with water, CO2, dry powder or foam

Unsuitable extinguishing media for safety reason: N/A

Specific hazards: N/A

Special protective equipment: N/A

---

## 6. Accidental release measures

Personal precautions: N/A

Methods for cleaning up or taking up: Spillages should be dealt with immediately. The area should be cleaned and thoroughly rinsed with warm water. The waste water can be flushed on to the sewage system

---

## 7. Handling and storage

Handling: The product is pungent and irritant in quantity and should be handled in accordance with Good Manufacturing Practice

Protection against fire and explosion: N/A

Storage: Store at ambient temperature in a cool, dry place away from direct sunlight in unopened original packaging

---

## 8. Exposure controls and personal protection

### Personal protective equipment

Eye protection: For prolonged use goggles should be worn

---

Issue Date: 05.02.2018  
Product: Fish Bouillon Powder  
Code: 251-F-02

---

Version: 1.0

General safety and hygiene measures: Prolonged contact with the skin should be avoided and overalls are recommended to avoid odorous contamination of personal clothing

## 9. Physical and chemical properties

**Form:** Beige pale-yellow powder

**Odour:** Savoury fish aroma

**pH value:** N/A

**Melting point:** N/A

**Flammability:** This product is non-flammable

**Fire promoting properties:** N/A

**Density:** N/A

**Bulk density:** N/A

**Solubility in water:**

---

## 10. Stability and reactivity

Thermal decomposition: N/A

Substances to avoid: N/A

Hazardous reactions: N/A

Hazardous decomposition products: N/A

---

## 11. Toxicological information

LD50/oral/rat: N/A

Primary irritations of the mucous membrane: N/A

Additional information

---

## 12. Ecological information

---

Issue Date: 05.02.2018  
Product: Fish Bouillon Powder  
Code: 251-F-02

---

Version: 1.0

## **Ecotoxicity**

Toxicity to fish: N/A

Aquatic Invertebrates: N/A

## **Persistence and degradability**

Assessment: N/A

## **Bioaccumulation potential**

## **Additional information**

---

## **13. Disposal considerations**

---

## **14. Transport information**

---

### **Land transport**

ADR: N/A

RID: N/A

### **Inland waterway transport**

ADNR: N/A

### **Sea Transport**

IMDG/GGVSee: N/A

### **Air transport**

ICAO/IATA: N/A

Further information

---

## **15. Regulatory information**

**Regulations of the European union (labelling) / National legislation/regulations**

---

Issue Date: 05.02.2018
