Hi Steve,

Thanks for the revised docs.

Can you just send an email confirming you are reducing broiler numbers from 410,000 to 360,000 places please so it is clear what you were originally applying for.

Kind regards

Kate

Hi Steve,

Yes no problem. Can you send me a revised B3.5, Non-tech summary and Site condition report please (and any other docs I have missed which mention 410,000 broilers currently) and we can get the consultation posted this pm.

Kind regards

Kate
