[Appropriate Measures - Metal Shredders.pdf](#)

Good afternoon Joanne

Please find attached a document showing the appropriate measures that the company will comply with, with a couple of exclusions that do not relate to the foil that they process.

Thank you for your email dated 30/11/23.

As the operator shreds metal foil they need to agree to all of the relevant appropriate measures in [Treating metal waste in shredders: appropriate measures for permitted facilities - Guidance - GOV.UK \(www.gov.uk\)](#). Please read all sections and provide the following information.

- Confirm which sections are relevant and that the operator agrees to follow these measures.
- If there are any sections that are not relevant, explain why they are not relevant.
- If there are relevant sections where they are not following appropriate measures, provide details of their proposed alternative measures.
