Good afternoon Joanne

Please find attached the amended documents as requested.

I can also confirm that it was a typo and I meant 4.3 and 4.4.

Hi Adam

Application reference: EPR/GB3503XJ/V002
Operator: Datashredders Limited
Facility: Hostmoor Avenue, March, PE15 0AX

We have duly made your variation application. We will publicise the variation on the Citizen Space website and send it for external and internal consultation. While reviewing the supporting information I have identified that because of changes during duly making some of the supporting documents need updating before we can start the publicising and consultation. Please provide updated versions of the following documents.

- Site Condition Report (SCR) DL11

Please ensure that this is up to date, including, but not limited to, these amendments and clarifications.

As the operator is now Datashredders instead of Veolia, amend this.

The SCR refers to washing activities and sweeper de-watering in the Basic Conceptual Site Model (CSM) and a new washing operation in Drainage. I cannot see any reference to washing in the other supporting information. Does this refer to cleaning the site and clearing spills? Or is washing and de-watering another activity on the site in addition to the shredding of paper/card/metals/textiles? Or have washing and de-watering been included in error? Please clarify and amend the SCR.

- Fire Prevention Plan (FPP)

As the site will now take extra waste types in addition to paper, cardboard and plastics, ensure that the FPP is up to date, including but not limited to, amending 2.3 Combustible Waste Streams and 3.3 Management of waste piles.

- DL8 – Recycling Process map

Provide an amended version as the site now takes waste codes other than paper and card.

- Appropriate measures – metal shredders

It says that 4.4 and 4.4 are not applicable. I presume that this is a typo and you meant 4.3 and 4.4, please confirm this is correct.

Until we receive the information that we have requested we will be unable to continue with your variation. Please can you respond within 5 working days. If you have any queries, please feel free to contact me.

Thank you for your time and assistance.

Kind regards.

Joanne
