Good morning Adam,

I have started to look at the variation application you sent in October.

We are missing forms C2 and C4 ( these are required for a waste variation )

Can you fill these 2 forms in and resend them please? Link Below

Good morning Trudy

To confirm will the variation application be held (not returned) until the transfer has been completed?

Good Morning Adam,

Thank you for your application.

This variation can only be logged once the transfer of GB3503XJ from Veolia to Datashredders has been determined.

Please quote new permit transfer ref EPR/LB3601GK/T001 as the variation will be against this.
