

# Nature and Heritage Conservation

## Screening Report: Bespoke waste

Reference	EPR/GB3902FH/A001
NGR	TF 66346 03464
Buffer (m)	300
Date report produced	25/08/2020
Number of maps enclosed	1

The nature and heritage conservation sites and/or protected species and habitats identified in the table below must be considered in your application.

Protected Habitats	Screening distance (m)	Further Information
--------------------	------------------------	---------------------

Deciduous woodland	up to 500m	<a href="#">Natural England</a>
--------------------	------------	---------------------------------

Where protected species are present, a licence may be required from [Natural England](#) to handle the species or undertake the proposed works.

**Please note** we have screened this application for protected and priority sites, habitats and species for which we have information. It is however your responsibility to comply with all environmental and planning legislation, this information does not imply that no other checks or permissions will be required.

**Please note**, the enclosed pre-application map(s) is valid for a period of **6 months**. If you plan to submit your application more than 6 months after the map(s) was generated, you must request that the screen is re-run. This will ensure that you have used the most current information on heritage and nature conservation interests in your application.
