Subject: Conservation pre-application EPR/HB3300CV/A001

Hi Michael,

Thank you for requesting a nature and heritage conservation screen for the following:

Permit type: Bespoke Waste
Application Reference: EPR/HB3300CV/A001
NGR: TF 24760 02551
Date screen completed: 08/03/2019

The screen did not identify any nature and heritage conservation interests that could be impacted by your current proposal.

Please note we have screened this application for protected and priority sites, habitats and species for which we have information. It is however your responsibility to comply with all environmental and planning legislation, this information does not imply that no other checks or permissions will be required.

If you require further pre-application advice the form available at <https://www.gov.uk/government/publications/environmental-permit-pre-application-advice-form> can be completed and submitted.

The conservation pre-application service has been superseded by the above service so future requests should be made using the above form.

Kind regards

Matt Robinson
Pre-application Team
