Hi Michael

I hope you are well

I just wanted to let you know that I am in a position to duly make the application I just need you to confirm the grid reference for the site.

The one on the application forms TF 26170 03453 is not showing where the permitted area will be according to the site plan and the address provided, I have the grid reference as TF 24747 02668. Can you confirm if this is correct.

Kind Regards
Caroline
