Dear Sirs

Authorised Persons

Our previous correspondence to the Environment Agency, dated 25th August 2011 in which we confirmed details of authorised signatories in addition to the statutory Directors for applications submitted in accordance with the Environmental Permitting Regulations 2007 refers.

We also updated this and wrote to you on 18th October 2013 to confirm that these arrangements should apply to all applications for environmental permits, wastes management licences, consents and similar authorisations throughout the United Kingdom. Whereas this letter has been updated on a number of occasions since, we now update further following changes in statutory Directors and also changes to the Companies to which this should apply.

This authorisation (letter of authority) should therefore be extended to include all new applications as well as applications for variations, transfers, and surrenders/revocations, under the following or successive legislation and regulations:

Environmental Permitting (England and Wales) Regulations 2016
Environmental Protection Act 1990
Pollution Prevention & Control (Scotland) Regulations 2000
Water (Controlled Activities) (Scotland) Regulations 2011
Waste and Contaminated Land (Northern Ireland) Order 1997
Pollution Prevention & Control (Northern Ireland) Regulations 2003
Water (Northern Ireland) Order 1999
Water Resources Act 1991 (as amended by the Water Act 2003)
Environment Act 1995
Scrap Metal Dealers Act 2013
The Water Resources (Abstraction and Impounding) Regulations 2006
The Water Resources (Transitional Provisions) Regulations 2017

Accordingly, this is to confirm that, in addition to the statutory Directors of the companies that are listed in Appendix A (together "the Companies") to this letter the following personnel are also authorised persons to sign applications on behalf of the Companies.

Graham Peacock
Neil Sumner
Fraser James
Rob Jones
Lana McArdell

Please retain a copy of this correspondence on record for reference during any duly making checks that may be undertaken.

Yours faithfully
for and on behalf of the Companies

.....
Michael Topham
Director of each of the Companies
