

## Briefing 3: Wealden Works Recycling, Recovery and Renewable Energy Facility, Langhurstwood Road, Horsham, RH12 4QD

Variation application number: **EPR/CB3308TD/V002** **16 July 2021**

### Consultation period extended

We have extended the current consultation period on the above permit variation application until **midnight 2 August 2021**.

This is because a notice on [www.gov.uk](http://www.gov.uk) stated that the consultation period had ended. We should have updated the notice when we extended the consultation deadline to 16 July 2021. This was an oversight on our part. Because of the high level of interest in the site we want to make sure that everyone who wants to comment can do so, therefore the consultation will remain open until midnight 2 August 2021.

### How can you comment on the application?

We would encourage you to view the documents on our Consultation Portal, Citizen Space:

You can send us your comments using our online consultation portal, Citizen Space (on the above link), or by email to [pscpublicresponse@environment-agency.gov.uk](mailto:pscpublicresponse@environment-agency.gov.uk). If you are unable to submit your comments in this way, you can post them to: Environment Agency Permitting and Support Centre, Environmental Permitting Team, Quadrant 2, 99 Parkway Avenue, Parkway Business Park, Sheffield S9 4WF marked 'Variation application number: EPR/CB3308TD/V002'.

If we decide that the application has provided sufficient information for us to determine that the facility will not cause significant harm to the environment or people's health, we will issue our draft decision for consultation. This will give you the opportunity to examine and make comments on our decision document and on the conditions we are minded to include in the draft permit. We will consider these comments before making our final decision. If we decide to refuse the permit variation, Britaniacrest Recycling Limited have the right to appeal this decision.
