

Notice of request for more information

The Environmental Permitting (England & Wales) Regulations 2016

Company Secretary – Andrew Howson

Thameside Energy Recovery Facility Limited

Viridor House
Priory Bridge Road
Taunton
England
TA1 1AP

Application number: EPR/WP3007LM/V002

The Environment Agency, in exercise of its powers under paragraph 4 of Part 1 of Schedule 5 of the above Regulations, requires you to provide the information detailed in the attached schedule. The information is required in order to determine your application for a permit duly made on 23/12/2022.

Send the information to either the email or postal address below by 30/10/2023. If we do not receive this information by the date specified then we may treat your application as having been withdrawn or it may be refused. If this happens you may lose your application fee.

Name	Date
Simon Hunt	16/10/2023

Authorised on behalf of the Environment Agency

Notes

These notes do not form part of this notice.

Please note that we charge £1,200 where we have to send a third or subsequent information notice in relation to the same issue. We consider this to be the first notice on the issues covered in this notice.

The notes in italics that appear before information requests in the attached schedule do not form part of the notice. The notes are intended to assist you in providing a full response.

Schedule

Notes

In response to your request dated 12/10/2023 to increase applied for maximum permitted tonnage to 379,658, we require further clarity in terms of the impact that this change may have on other environmental considerations at the site.

1. Provide detail and justification on how this proposed change impacts other i.e. non air quality environmental considerations that were presented in Section 5 'Environmental Impacts' of the document 'S3265-0310-0007SDR' dated 29/06/2023.
