I'm writing to let you know that your application is duly made as of 17/10/2025. 'Duly made' means that we have all the information we need to start determination. Determination is where we assess and make a decision on your application.

We will allocate your application to a Permitting Officer for determination as soon as possible. It is currently taking longer than usual to allocate applications for some sectors. You should expect a wait before you hear from us next while we find the right person to allocate your application to. Once allocated, the officer will contact you to let you know.

If we do need further information, we'll contact you during determination. We'll explain what information we need and how long you have to provide it.

For further information on the permitting process, please see [Environmental permitting guidance: Core guidance](#).

If your application contained a request for confidentiality, we'll write to you separately about our decision on that.

If you have any questions in the meantime, please phone our Customer Contact Centre on 03708 506506. They'll put you in touch with one of our Permitting Support Advisors. Alternatively, please email our Permitting Support Team: psc@environment-agency.gov.uk

Yours sincerely,
