Subject: Receipt of Application and Request for Information
Importance: High

Good morning Miss Harling,

Having received an Application for the Substantial Variation for Industrial Chemicals Limited, the Part A of the form has come through blank.

I have located your details from the Pre Application service request, so apologies if you did not send in the final application.

If you could please try and send this to me as soon as possible, or redirect this query if it wasn't yourself that sent this through.

Any questions, please find my contact details below.

Kind regards,

Taroneh Saeed
