

Certificate of Approval

This is to certify that the Management System of:

Safety-Kleen U.K. Limited

Profile West, 950 Great West Road, Brentford, TW8 9ES, United Kingdom

has been approved by LRQA to the following standards:

ISO 9001:2015, ISO 14001:2015, ISO 45001:2018

Approval number(s): ISO 9001 – 00040772, ISO 14001 – 00040770, ISO 45001 – 00040771

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

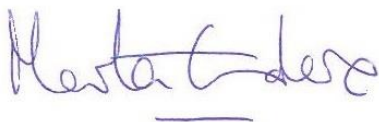

The supply, waste removal and replenishment of recycled solvents, which are used in machines provided for the degreasing and cleaning of component parts and equipment. The refurbished, construction and supply of machines and related equipment intended to be used for automated or manual cleaning processes using liquids. The supply of ancillary products (such as absorbent socks) for liquid spill clean up and subsequent collection and disposal of associated wastes. The collection of drummed and bulk wastes, including oils, for onward transport to third parties for processing or disposal.

This certificate is a continuation of a previous approval from another certification body as follows:

Previous original ISO 14001 approval on 28-NOV-2018, 3score2 certificate number 00166-EMS-001

Previous original ISO 45001 approval on 12-AUG-2021, 3score2 certificate number 00166-OHSMS-001

Previous original ISO 9001 approval on 02-MAY-2019, 3score2 certificate number 00166-QMS-001

Marta Escudero

Regional Director, United Kingdom and Americas (UKAM)
