Dear

### **Environmental permitting application**

**Application reference: EPR/BP3731VJ/V006**

**Operator: Breedon Cement Limited**

**Facility: Hope Cement Works**

Thank you for your application received on 16 November 2018.

Unfortunately we need more information from you before we can continue working on it.

- In Part F1 of the application form, you have ticked 'Please treat the information in my application as confidential' – if you do wish any parts of your application to be withheld from the public register, you will need to provide a letter identifying which parts, and why confidentiality has been requested. This will then be subject to a separate determination. If you ticked this part in error, please leave the tick box blank in your resubmitted application;
- The declaration in Form Part F1 is not complete to say this is a valid application. Please make sure a relevant person (someone listed in the current appointments for [operator name] at Companies House) completes this. If you wish a manager or other employee not listed in the current appointments to fill in the declaration on behalf of the Company/LLP we need confirmation (letter or email) from a relevant person confirming that the person has the authority to fill in the declaration.

If you email or write to us please quote the application reference EPR/BP3731VJ/V006 in any correspondence and send it to the relevant address below.

When we receive the missing items we will continue to check the details in your application. If there's enough information for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter. If we need further information before we can say it's duly made we'll let you know what is required.

If we don't receive the missing items by 7 December 2018 we will return your application form refund your fee.

Yours sincerely
