Good morning Joel,

Thank you for picking up on that, it appears there was an error / typo when the payment was made. I was in contact with Grid Powr yesterday afternoon and they have confirmed that a payment of £700 was made yesterday using the same reference number (PSCAPPGRIDP001).

If you require anything further, please don't hesitate in contacting me.

Many thanks and kind regards,

Matt

Good thanks Matt,

Thank you for that info - I can now see a payment of £21,209 received on 1<sup>st</sup> June. The application charges detailed in the Part F1 submitted however, total £21,909. Do you know if a further £700 payment has been/will be made?

Thanks, Joel

Good morning Sophie,

Thank you for your application. I'm unable to find the application fee payment in our account – could you let me know when that should appear?

Once I can confirm receipt, I'll log the application and escalate your prioritisation request.

Please let me know if you have any questions.

Thanks, Joel
