**Attachments:** Ridley Pigs LLP The Piggery Site Location Plan.pdf

You don't often get email from kevin@kbenvconsult.co.uk. [Learn why this is important](#)

Hi Danny

Please find attached a site location plan in a smaller scale showing more clearly the position of the piggery in relation to its surroundings.

I hope this provides you with all you need but let me know if anything further is needed at this stage.

regards

Kevin

Hello Kevin,

Are you able to deal with the below request for more information for the Ridley application? What they are after is a smaller scale map which shows the installation boundary in the context of the wider location - including key local features such as nearby roads, houses, field boundaries, etc

I am going to follow up with an email (cc. to you and Dan) which requests that you are made the primary contact for this application with Dan cc in. I'm then going to do the same for all other applications in the pipeline.

Many thanks,

Lizzie

Dear Mrs Lizzie Bentley

## Environmental permitting application

**Application reference: BP3647JY/A001**

**Operator: Ridley Pigs LLP**

**Facility: The Piggery**

Thank you for your application received **22 November 2021**.

Unfortunately we need more information from you before we can continue working on it.

Please provide us with the following by **28 February 2022**

- Site Plan. The Site Plan you have provided doesn't give us enough information to determine whether it is in the same place that the National Grid Reference says it is. Please respond with a more in-depth Site Plan, that has more of the surrounding area.

If you need advice about completing the form, we offer limited pre-application advice on how to prepare your application at no extra charge. If more help is needed, we also offer a discretionary enhanced pre-application service. This service is chargeable at a rate of £100 per hour. For further details and a pre-application request form, please see our website:

<https://www.gov.uk/guidance/check-if-you-need-an-environmental-permit>

If you email or write to us please quote the application reference **BP3647JY/A001** on any correspondence and send it to the relevant address below.

When we receive the missing items we'll continue to check the details in your application. If there's enough information for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter. If we need further information before we can say it's duly made we'll let you know what is required.

If we don't receive the missing items by **28 February 2022** we'll return your application form and refund your fee.

Yours Sincerely

**Danny Dunstan**
