Hello

Toby Ridley is no longer dealing with the application so please don't send or copy anything further to his email as it is no longer monitored.

I'd be grateful if all future correspondence could be directed to [REDACTED]

Ridley Pigs LLP and the application process will continue and I have passed the invoice to Fraser so I hope you will have received payment by now.

Fraser is a director of Ridley Pigs LLP and I attach a revised copy of the part B3.5 application form.

regards

Kevin

Hi Kevin,

I was going to get this application duly made but the payment has not been received yet. Can you please chase this up with your client please and let me know when it has been done.

Please note that today is my last day in before Xmas but I am working one day next week so can pick up this response then.

Many thanks

Liz
