

## About this consultation

### S81 OTP, Aveita Ltd: environmental permit consultation

**The aim of this consultation is to ask whether you have any comments relevant to the permit application**

We want to make the best decision when permitting. Listening to the views of others helps us to take account of concerns, or local environmental factors, that we may not be otherwise aware of.

We are seeking comments on the application for Aveita Ltd. Please use the reference number below when making comments on this application.

- Permit Number: EPR/HP3221SN/A001
- Regulated facility type: This is a new bespoke waste operation. The site will be an authorised treatment facility for the dismantling and storage of end-of-life vehicles and parts. The total maximum amount of end-of-life vehicles and their constituent parts accepted at the site shall not exceed 75,000 tonnes per annum. The maximum amount of waste stored on site at any one time shall not exceed 10,000 tonnes.
- Regulated facility location: Aveita Ltd, Blyth Road, Worksop, S81 OTP

#### Non-Technical Summary

Refer to the non-technical summary which explains this application, in non-technical language.

This should include a summary of the regulated facility, the key technical standards and control measures arising from the risk assessment.

#### What the response will be used for

We will take your consultation responses into consideration as part of our determination of the permit. If we decide to grant the permit we will explain how we made our decision and how we have addressed the concerns that were raised.

We will only issue a permit if we believe that harm to the environment, people and wildlife will be minimised and that the operator has the ability to meet the conditions of the permit. Providing a business can prove that the proposed activities meets all the legal requirements, including environmental, technological and health requirements, then we are legally obliged to issue a permit, even if some people do not approve of the decision.

#### How to Respond
