## A1 Licence you are applying for

### A1.1 Do you want to submit this as a pre-application?

Yes

No

### A1.2 What type of pre-application are you applying for?

Basic pre-application

Enhanced pre-application (Further charges apply)

## **A1 Licence you are applying for, continued**

### **A1.3 Licence you are applying for**

**Please Note:** For all hydropower applications please replace Part A with WR317.

Please tick one of the boxes below to let us know what type of licence you are applying for. Please check our website for information on charging to assess whether Part E is required for each application. (<https://www.gov.uk/government/publications/environmental-permits-and-abstraction-licences-tables-of-charges>).

#### **New full abstraction licence**

Fill in this form (part A) together with parts B, C and part E (if applicable).

#### **New temporary licence**

Fill in this form (part A) together with parts B, C and part E (if applicable).

#### **New transfer licence**

Fill in this form (part A) together with parts B, C and part E (if applicable).

#### **New impoundment licence**

Fill in this form (part A) together with part D and Part E (if applicable).

Please check our website as some Impoundments don't need a licence:  
<https://www.gov.uk/guidance/water-management-abstract-or-impound-water>.

#### **Apply for a replacement licence or licence conditions when the existing expires with changes**

Fill in this form (part A) together with parts B, C and part E (if applicable).

#### **Formal variation to an existing abstraction licence**

Fill in this form (part A) together with parts B, C and part E (if applicable).

#### **Formal variation to an impoundment licence**

Fill in this form (part A) together with part D and Part E (if applicable).

### **A1.4 Grants**

Have you applied for a grant for this proposal?

Yes If so, provide details in A1.5 below

No

### **A1.5 Please provide details of any grants applied for**

## A2 About you

### A2.1 Are you applying as a company (this includes Limited Liability Partnerships) an individual, an organisation of individuals or a public body?

- |                                |                                    |

## **B1 Applicant's name**

### **B1.1 Give the name of the applicant**

This must be the same as the name given at A3, A4, A5 or A6 (as appropriate) in part A.

## **B2 Existing licence number (if you are applying to replace or change the licence)**

You do not need to fill this in if your application is for a new licence. In this case go to **section B3**.

### **B2.1 If you are applying to replace or change an existing licence, what is your current licence number?**

### **B2.2 Please give a brief outline of the changes you wish to make to your licence.**

## **B3 Restoring sustainable abstraction**

### **B3.1 Is this application a result of the restoring sustainable abstraction programme?**

No

Yes

## **B4 Source of supply**

Please follow the guidance notes on part B closely.

### **B4.1 Where do you want to abstract from?**

Groundwater

Surface water

### **B4.2 Which type of abstraction point will you be abstracting from?**

(pick one from the list in B4.2 of the guidance notes)

### **B4.3 What type of activity or business goes on at your site?**

The answer you give must be one of the options listed in B4.3 of the guidance notes.

### **B4.4 If you are abstracting from surface water, what is the name of the watercourse?**

## B4 Source of supply, continued

### B4.5 If you are abstracting from groundwater, what type of aquifer is the groundwater in?

If you are not abstracting from groundwater, go to **section B6**.

Give the name of the aquifer below.

## B5 Groundwater investigation at the site

You do not need to fill this in if you are abstracting from surface water. In this case, go to **section B6**.

### B5.1 Have you discussed with the Area groundwater team the need for an investigation consent at the site?

(Please note: You don't have to answer this question at the pre application stage).

- No I have not spoken to the Area groundwater team about a groundwater investigation consent (contact us on the details at the top of this form before submitting your application)
- Yes I have spoken to the Area groundwater team about the requirements for a groundwater investigation consent. In the box below give details of the discussions you have had with us. Please include details of whether you have been told you need to complete a groundwater investigation consent or not.

### B5.2 Where you have been told to complete a groundwater investigation, have you carried out the investigation which you had a consent for?

No Please follow the guidance on **GOV.UK** regarding the process of applying for a section 32(3) Groundwater investigation consent.

Yes Give your groundwater consent number and the date the consent was issued below.

Groundwater consent number

(DD/MM/YYYY)

If you have not already given us the results from your test pumping, attach them to this application form when you send it to us. You are required to submit a report on the risk assessment from the proposed abstraction to existing water rights and the water environment. This will include the methodology for the hydrogeological parameters selected

Also, fill in the table below to give us details of the boreholes, wells and so on you abstracted water from for the investigation. For each well, borehole and so on we need to know:

- its proposed size and depth
- the type and thickness of the lining or linings, if any
- how you intend to prevent any leaks or overflow from it

**B5 Groundwater investigation at the site, continued**

Map label	Depth (metres)	Diameter (millimetres)	Lining (type/metres depth)	How overflow or leaks will be prevented from artesian works (works where water reaches the surface under natural pressure without pumping)

**B6 Discharge details**

**B6.1 Do you intend to discharge water abstracted from the site?**

No    Go to **section B7**

Yes    Give details below

Where will you discharge the water to? (See the guidance notes for options)	Volume of water to be discharged of per day (in cubic metres)	National grid reference of discharge point, including map reference	Environmental permit number (if you have one) or the date you applied if you haven't received a decision.

## **B7 Further abstractions (temporary licences only)**

You only need to fill in this part if you are applying for a temporary licence. If you are not applying for a temporary licence, go to **section B8**.

### **B7.1 Do you expect to carry out further abstractions at this site in the future?**

No Go to **section B8**

Yes How often and for what purpose?

## **B8 Water rights trading**

### **B8.1 Are you making this application as part of an agreement to trade water rights with someone else?**

No Go to **section B9**

Yes Give the name or licence number of the person you are trading water rights with?

If there is more than one licence or person, please provide details on a separate sheet.

## B8 Water rights trading, continued

### B8.2 Please fill in the table below with details about the proposed trade

Your abstraction location name (as at B10)	
What do you use, or will you use, the water for? (As at B13.)	
The other person's abstraction location name	
The national grid references of the other person's abstraction point or points	
What does or will the other person use the water for? (Pick from the list in guidance notes for B13.)	
Does the other person abstract, or will they abstract, from surface or groundwater?	Surface water Groundwater
Which type of abstraction point does, or will, the other person abstract from? (Pick one from the list in B4.2 of the guidance notes.)	
Annual quantity to be traded (m <sup>3</sup> )	
Daily quantity to be traded (m <sup>3</sup> )	

If there is more than one abstraction location or purpose please provide details on a separate sheet.

### B8.3 Is the trade permanent or temporary?

Permanent

Temporary    What date will the trade end?

(DD/MM/YYYY)

\_\_\_\_\_

## **B9 Licence aggregation details**

### **B9.1 Will the licence you are applying for be aggregated with any other licences?**

No Go to **section B10**

Yes Give the existing licence number below and explain how you want to aggregate your abstraction quantities.

Please continue on a separate sheet if necessary and provide a document reference. Please note, there may need to be additional applications and costs to update these licences. Please refer to **our charging scheme** and website for more information.

## B10 Abstraction locations

### B10.1 An abstraction location can be a single point, a reach (stretch of water) or an area.

In the table below, give the details of the locations you will abstract water from.

- If the location is a point, give the 12-character national grid reference for that point.
- If the location is a reach, give the two 12-character national grid references you will abstract between.
- If the location is an area, give four 12-character national grid references relating to the corners of the area. (The first you give should be the one for the top left-hand corner, then continuing clockwise around the area.)

The guidance notes explain how to find out your 12-character national grid reference. Please ensure you mark all points on the map provided.

Name of the abstraction including how you have labelled on map	Type of location (single point, reach or area)	First 12-character national grid reference	Second 12-character national grid reference	Third 12-character national grid reference	Fourth 12-character national grid reference
Example Marked A on the map	Single point	ST 12345 67890			

## B11 Rights of access and planning permission

### B11.1 What rights of access do you have?

Fill in the details below, using the lists in the guidance notes to specify:

- your access rights
- the planning permission needed
- the status of the planning permission

Abstraction location name (as at B10)	Access rights	If you do not have access rights yet, when do you expect to get them?	Planning permission needed	Status of planning permission

## B12 Environmental assessment and appraisal

### B12.1 Do you need to do an Environmental Impact Assessment (EIA)?

No

Yes Please enclose a copy of the environmental statement with this application form

### B12.2 Do you need to do an environmental appraisal?

No

Yes Please enclose your environmental report with this form

## B13 Abstraction details

### B13.1 Please fill in the table below with details about the proposed abstraction.

You can find forms to help you decide how much water is required at [www.gov.uk](http://www.gov.uk) or use the links below.

- [WR336 Table of water use for general agriculture](#)
- [WR337 Table of water needed for irrigating golf courses](#)
- [WR338 Table of water needed for livestock](#)
- [WR339 Table of water needed for spray irrigation](#)
- [WR340 Spray or trickle irrigation of crops – extra information](#)

## B13 Abstraction details, continued

### B13.2 Transfer of water to maintain a water level

Do you transfer water to maintain a water level?

No Go to **section B14**

Yes Please provide details of:

- what the levels are
- if/how they vary on a seasonal basis
- how they relate to the quantity of water abstracted
- how you control water levels

Is the water transferred to another water system?

No

Yes Please give details in the box below.

Continue on a separate sheet if necessary and provide a document reference.

## B14 Safe passage for eels

(Please note: You don't have to answer this question at the pre-application stage.)

### B14.1 Have you discussed with the Area fisheries team the need to provide an eel screen at the site?

No I have not spoken to the Area fisheries team about eel screening (contact us before submitting your application)

Yes I have spoken to the Area fisheries team about the requirements of the Eels (England & Wales) Regulations. (Send us the response letter you received from our Fisheries department.)

In the box below give details of the discussions you have had with us. (For example a brief outline of the outcome of the conversation and who you spoke to.)

If you have design drawings or details, attach them to this application form when you send it to us.

## **B15 Aggregating abstraction under the licence you are applying for**

**B15.1** If this application has more than one purpose, do you intend to aggregate the quantities you are applying for?

No

Yes Please give details of your proposal in the box below.

Continue on a separate sheet if necessary and provide a document reference.

## **B16 Making a pre-application**

We strongly recommend that you send us your filled-in parts A and B now, as a ‘pre-application’, The current charges can be found at [www.gov.uk](http://www.gov.uk) or at the link [here](#).

**B16.1** Do you want to send parts A and B now as a pre-application?

No Go straight to part C and part E (if applicable)

Yes For basic pre-application advice, send us parts A and B to us. For enhanced pre-application advice, please fill in B17 and send part A and B, and any supporting documents, to us.

If you are applying for basic pre application advice, we strongly recommend that you keep copies of your application forms as you will be required to submit again at the enhanced or formal application stage.

## **B17 Pre-application supporting documents**

**B17.1** If you are submitting an enhanced pre-application, please read through this list and tick the items you are sending with this pre-application.

Confirmation of the right of access or negotiations so far

Continuation sheet for answers to questions

A map (see the guidance notes for part B) showing the following:

Each point of abstraction

The area of land the water will be used on

The site of any proposed reservoir or water body which will be used for storage

The points where water will be discharged

An outline of land you occupy or have the right of access to including the boundary for all wetland applications

## B18 Declaration and signature

This form must be signed by the appropriately authorised person or people. The table below gives details of who can sign this form.

Type of licence holder	Signature needed

## B19 General Data Protection Regulations

### Privacy notice: how we use your personal data

We are the Environment Agency and we run the water abstraction licence and impoundment licence service. We are the data controller. A data controller determines how and why personal data (personal information) is processed.

Our Personal Information Charter (<http://www.gov.uk/government/organisations/environment-agency/about/personal-information-charter>) explains how we deal with your personal information. Go to GOV.UK and search 'Environment Agency personal information charter'.

## **B19 General Data Protection Regulations, continued**

### **Why we are collecting personal data and what we will do with it**

We the Environment Agency are the data controller. We are collecting and processing personal data to:

- process your abstraction or impounding licence applications including pre-application
- advertise your application, if required
- make your application available to the public and organisations that we have to notify, as required by the Water Resources Act 1991
- keep public registers up to date
- charge you for your abstraction or impounding licence as set out by our charges scheme
- process your records of abstraction (returns)
- make sure you keep to the conditions of your abstraction or impounding licence
- contact you about managing your abstraction or impounding licence or applying for other licences you may need
- contact you to gather feedback to improve the level of service that we provide
- register you to use our online water resources service

Processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the data controller. This is to undertake our responsibilities for managing water resources in England through our abstraction and impoundment licensing system.

We do not use your personal data to make an automated decision or for automated profiling.

### **Sharing and transferring personal data**

We will not share your personal data with anyone outside of the Environment Agency without your consent unless we are allowed to do so by law. But we may pass your data on to our agents or representatives to process it for us.

We transfer your data through servers in the UK and Amazon Web Service (AWS) servers in Ireland. We store the data on servers in the UK and AWS servers in Ireland. The data will not be transferred outside the European Economic Area.

### **How long we hold personal data for**

We will keep your personal data as required by law to maintain the Water Abstraction and Impounding Licence public register with details of all applications and our decisions on those applications.

We will keep other personal data for 7 years once the abstraction or impoundment licence ceases to have effect. After 7 years we will review retention in line with our standard information retention policy.

We will keep your personal data required to access the ‘Manage your water abstraction or impoundment licence’ service for as long as you require access to the service.

### **Contact details**

Our Data Protection Officer (DPO) is responsible for independent advice and monitoring of the Environment Agency’s use of personal information.

If you have any concerns or queries about how we process personal data, or if you would like to make a complaint or request relating to data protection, please contact our DPO:

Data Protection Officer, Environment Agency, Horizon House, Deanery Road, Bristol, BS1 5AH

Email: [\*\*dataprotection@environment-agency.gov.uk\*\*](mailto:dataprotection@environment-agency.gov.uk)

## B19 General Data Protection Regulations, continued

You can find out about your personal data rights from the Information Commissioner's Office (ICO) at [www.ico.org.uk](http://www.ico.org.uk). The ICO regulate the data protection legislation. You have the right to lodge a complaint with them at any time.

## B20 Commercial confidentiality and national security

You may be able to claim commercial confidentiality for information contained in your application. Please read the guidance note for this question, along with **WR25 – Public register and advertising applications**, before responding below.

Tick the box if you want to claim commercial confidentiality for some information in your application. Please treat the information listed and justified in the attached letter as commercially confidential.

**Note: You should make sure that we can easily identify the information which you consider to be confidential. It will help us if the information you want us to treat as commercially confidential is provided in a way which will allow it to be easily removed (for example, on separate pages marked 'claimed confidential').**

You can ask the Secretary of State for information in your form not to be included in any public notice or the public register because including it would be a risk to national security. With your application you must enclose a letter telling us that you have asked the Secretary of State for this, and you must still include the information in your application. We will not include the information in any public notice or public register unless the Secretary of State decides that it should be included.

Tick the box if you are applying to the Secretary of State for National Security Please note: You cannot apply for national security through this application.

## B21 Where to send the form

Please send this form and any supporting documents to:

Permitting and Support Centre  
Water Resources Team  
Quadrant 2  
99 Parkway Avenue  
Parkway Business Park  
Sheffield

The name you give here should be the same as you gave in B1 of part B.

### C1.1 Give the name of the applicant

This must be the same as the name given in part A and part B.

Sizewell C Limited

### C1.2 If you have already sent us parts A and B as a pre-application, give us your application reference number

## C2 Changes to parts A and/or B following pre-application

### C2.1 Have you made any changes to parts A and/or B since you sent it as a pre-application?

No Go to **section C3**

Yes Fill in part A and/or part B again.

## C3 Licence duration

Do not fill in this part if you are applying for a temporary licence. Instead go to **section C4**.

### C3.1 In most cases licences will be time limited to 12 years maximum although, in exceptional cases, this maybe longer. This would need to be backed up by a business case which will need approval from us.

Start date (DD/MM/YYYY)

01/01/2025

End date (DD/MM/YYYY)

31/08/2026

In the box below, explain why you need a different period.

Dewatering is anticipated to take place during the construction phase only and with a duration of 70 days.

Continue on a separate sheet if necessary.

## C4 Method and measurement of abstraction

**C4.1 Fill in the table below to tell us how you will abstract water and measure the amount abstracted.**

Abstraction name (as you gave in B10 of part B)	Structure and equipment involved in the abstraction	Measurement method	Flood defence consent number (if you need flood defence consent)
Example	Pump	Meter	Ref. XXXXXX
A	Pump	Meter	N/A
B	Pump	Meter	N/A
C	Pump	Meter	N/A
D	Pump	Meter	N/A

## C5 Water-usage calculations

**C5.1 Will you store abstracted water on your land?**

No

Yes Please say how. (Include the capacity of your reservoir and if it is above or below ground. Continue on a separate sheet if necessary.)

**C5.2 How much of the water you abstract will be re-used?**

This application is for a transfer licence. Intervening use is not proposed. All the abstracted water will be discharged to the Leiston Drain which is in hydraulic continuity with the groundwater.

## C5 Water-usage calculations, continued

### C5.3 In the space below, explain how you worked out the amount of water you need to abstract.

**Important Information.** For spray irrigation, other agriculture, watering golf courses or animal watering, please fill in the appropriate extra information sheets to provide more details at [www.gov.uk](http://www.gov.uk) or use the links below.

- **WR336 Table of water use for general agriculture;**
- **WR337 Table of water needed for irrigating golf courses;**
- **WR338 Table of water needed for livestock;**
- **WR339 Table of water needed for spray irrigation;**
- **WR340 Spray or trickle irrigation of crops – extra information.**

The proposed excavations will be protected by sheet pile retaining walls and groundwater ingress is expected from the base of the excavation. The maximum amount of dewatering is based on the pump flowrate capacity which is considered as a maximum and sufficient for construction purposes.

### C5.4 How will you ensure you use water efficiently?

This may include steps such as irrigating at night or checking your pipes for leaks. If you cannot fit all of your information in this space, please attach an extra sheet and give the extra sheet a document reference number.

Water will be transferred into the Leiston Drain after abstraction, with no intervening use. Pumped flow rates will be minimised to achieve the target drawdown for the construction of the Leiston Drain crossing.

## C5 Water-usage calculations, continued

### C5.5 What water-saving equipment do you use or do you plan to use?

N/A

Continue on a separate sheet if necessary.

## C6 Management Agreements

### C6.1 Do you need to enter into a management agreement with Natural England?

No

Yes Give details of the agreement below.

## C7 Environmental management systems

### C7.1 Which of the following management systems will you provide for your proposed operation?

N/A

Eco-Management and Audit Scheme (EMAS)

ISO 14001

Other Give details below.

## C8 Supporting documents

### C8.1 Please read through this list and tick the items you are sending with this application.

If you provided any of the documents when you sent your enhanced pre-application, and nothing has changed, you do not need to send them again.

A map showing the following:

- Each point of abstraction
- The area of land the water will be used on
  - The site of any proposed reservoir or water body to be used for storage
- The points where water will be discharged
- An outline of the land you have, or will have, the rights of access over including the boundary for all wetland applications

Additional Information:

- Any extra information you have enclosed
- The application charge (you should submit form E if applicable along with your application)
- Details of how you calculated the amount of water you intend to abstract
- Confirmation of the right of access or negotiations so far
- Continuation sheet for answers to questions
- Details of aggregation with existing licences
- Environmental statement or report (if necessary)
- Evidence of discussion with fisheries department re Eels (England & Wales) Regulations

## C9 Payment method

**You will only need to complete this section if your abstraction meets the criteria for an ‘environmentally beneficial activity’ defined in the charging scheme. For all other applications, you do not need to fill in this section. Please fill in form E instead.**

Tick to show how you paid or intend to pay and provide any reference details requested. We can send you a payment request letter if you need that for your records before you pay by cheque, card or electronic transfer.

Invoice. Please note, paying by invoice may cause delays in us processing your application.

Instead of paying by invoice, we can send you a payment request letter if you need that for your records before paying by an alternative method. Please call us for more information.

### How to pay

#### Cheques:

These should be made payable to Environment Agency and crossed 'A/c Payee'. Send it to us with your completed forms.

Please write the name of your company name/individual name and application reference number on the back of your cheque. We will not accept cheques with a future date on them.

#### Payment by credit or debit card:

If you are paying by credit or debit card we can call you. We will destroy your card details once we have processed your payment. We can accept payments by Visa, MasterCard or Maestro card only.

#### Invoice:

We will generate an invoice that will be sent to you. You will then need to pay this by electronic transfer. We will not be able to progress your application until we have received payment. Generating an invoice will take more time than other forms of payment. Please call us for more information.

#### Payment by electronic transfer:

If you choose to pay by electronic transfer you will need to use the following information to make your payment.

## C11 General Data Protection Regulations

### Privacy notice: how we use your personal data

We are the Environment Agency and we run the water abstraction licence and impoundment licence service. We are the data controller. A data controller determines how and why personal data (personal information) is processed.

Our Personal Information Charter (<http://www.gov.uk/government/organisations/environment-agency/about/personal-information-charter>) explains how we deal with your personal information. Go to **GOV.UK** and search ‘Environment Agency personal information charter’.

### Why we are collecting personal data and what we will do with it

We the Environment Agency are the data controller. We are collecting and processing personal data to:

- process your abstraction or impounding licence applications including pre-application
- advertise your application, if required
- make your application available to the public and organisations that we have to notify, as required by the Water Resources Act 1991
- keep public registers up to date
- charge you for your abstraction or impounding licence as set out by our charges scheme
- process your records of abstraction (returns)
- make sure you keep to the conditions of your abstraction or impounding licence
- contact you about managing your abstraction or impounding licence or applying for other licences you may need
- contact you to gather feedback to improve the level of service that we provide
- register you to use our online water resources service

Processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the data controller. This is to undertake our responsibilities for managing water resources in England through our abstraction and impoundment licensing system.

We do not use your personal data to make an automated decision or for automated profiling.

### Sharing and transferring personal data

We will not share your personal data with anyone outside of the Environment Agency without your consent unless we are allowed to do so by law. But we may pass your data on to our agents or representatives to process it for us.

We transfer your data through servers in the UK and Amazon Web Service (AWS) servers in Ireland. We store the data on servers in the UK and AWS servers in Ireland. The data will not be transferred outside the European Economic Area.

### How long we hold personal data for

We will keep your personal data as required by law to maintain the Water Abstraction and Impounding Licence public register with details of all applications and our decisions on those applications.

We will keep other personal data for 7 years once the abstraction or impoundment licence ceases to have effect. After 7 years we will review retention in line with our standard information retention policy.

We will keep your personal data required to access the ‘Manage your water abstraction or impoundment licence’ service for as long as you require access to the service.

## C11 General Data Protection Regulations, continued

### Contact details

Our Data Protection Officer (DPO) is responsible for independent advice and monitoring of the Environment Agency's use of personal information.

If you have any concerns or queries about how we process personal data, or if you would like to make a complaint or request relating to data protection, please contact our DPO:

Data Protection Officer, Environment Agency, Horizon House, Deanery Road, Bristol, BS1 5AH

Email: [dataprotection@environment-agency.gov.uk](mailto:dataprotection@environment-agency.gov.uk)

You can find out about your personal data rights from the Information Commissioner's Office (ICO) at [www.ico.org.uk](http://www.ico.org.uk). The ICO regulate the data protection legislation. You have the right to lodge a complaint with them at any time.

## C12 Commercial confidentiality and national security

You may be able to claim commercial confidentiality for information contained in your application. Please read the guidance note for this question, along with **WR25 – Public register and advertising applications**, before responding below.

- Tick the box if you want to claim commercial confidentiality for some information in your application. Please treat the information listed and justified in the attached letter as commercially confidential.

**Note: You should make sure that we can easily identify the information which you consider to be confidential. It will help us if the information you want us to treat as commercially confidential is provided in a way which will allow it to be easily removed (for example, on separate pages marked 'claimed confidential').**

You can ask the Secretary of State for information in your form not to be included in any public notice or the public register because including it would be a risk to national security. With your application you must enclose a letter telling us that you have asked the Secretary of State for this, and you must still include the information in your application. We will not include the information in any public notice or public register unless the Secretary of State decides that it should be included.

- Tick the box if you are applying to the Secretary of State for National Security Please note: You cannot apply for national security through this application.

## C13 Where to send the form

Please send this form and any supporting documents to:

If you are not sure about anything in this form, phone us on 03708 506 506.

## **C14 Next steps**

We will check this application and contact you if we have any questions.

If we approve this application, we will send you the licence. We will contact you once this is done.

**If you are happy with our service, please tell us. It helps us to identify good practice and encourages our staff. If you're not happy with our service, or you would like us to review a decision we have made, please let us know.**

More information on how to do this is available from our complaints and appeals procedures ([www.gov.uk/government/organisations/environment-agency/about/complaints-procedure](http://www.gov.uk/government/organisations/environment-agency/about/complaints-procedure)).

# Charging for a Water Resources application – part E

Water Resources Act 1991 (as amended by the Water Act 2003), Environment Act 1995,  
The Water Resources (Abstraction and Impounding) Regulations 2006  
Environment Agency (Environmental Permitting and Abstraction Licensing) (England) Charging Scheme 2022.

## Introduction

**Please read through this application form and the guidance notes carefully before you fill this form in.**

If you are not sure about anything in this form, phone us on 03708 506 506 or send an email to [enquiries@environment-agency.gov.uk](mailto:enquiries@environment-agency.gov.uk).

Use this form to help you work out what application charge you must pay when submitting your application(s). You will also need to refer to the charge amounts set out in the Environment Agency (Environmental Permitting and Abstraction Licensing) (England) Charging Scheme – Part 2: Water Resources Charges Tables and guidance on when and how you are charged available at [www.gov.uk/government/publications/environmental-permits-and-abstraction-licences-tables-of-charges](http://www.gov.uk/government/publications/environmental-permits-and-abstraction-licences-tables-of-charges)

**Note:** You don't need to complete this form for Renewals on same terms, admin and minor variations, reductions and Environmentally beneficial activities. The criteria for these application types is available in the charging scheme and guidance.

If you are applying for more than one application activity, you need to pay an application charge for each one. Fill out one part E form to cover them all by using separate rows for each activity in the relevant tables in sections E2.2 and E3.1 or section E4.1. If you have more than 3 application activities, you will need to continue onto another form. Submit this form and the other application forms relevant to your application to the address in part C.
