For the attention of Mr T Benson

Dear Sirs

Reference : EPR / BP 3494CT / V002 – Cheadle Skip Hire

With reference to the above site and the recent e mail from The Environment Agency regarding our report dated August 2018 – please find below our response.

In the assessment of the site and the proposed operation no computer modelling was undertaken and all the calculations regarding the noise levels at the various locations adjacent to the site are detailed in the report.

I hope this is sufficient for your present needs, if however you require any additional information please do not hesitate to contact us.

Yours faithfully

Roger Leach AMIOA.
