We are due to submit an Application to the Environment Agency for a Permit Variation to include 4th Column (S4) and ancillary equipment at the Hendon Dock Site.

The application form requires the detail and signature of a relevant Director unless permission is sought to sign on their behalf.

I therefore require your permission to complete my details on the Application form for this Permit Variation. This can be in the form of a simple response to this email.

Thankyou and best regards [REDACTED]
