Hi Una

Apologies the application is for 50,000 turkeys or 200,000 broilers.  
Have forwarded the modelling files.

Regards

Steve

Stephen,

I have now reviewed your pre-application and application documents for Toft Farm Growers Ltd. As part of the Not Duly Made process please could you send additional information for clarification:

- Please provide the modelling files for the ammonia report.
- Please also confirm the total number of turkeys you are applying for (pre-application modelling is for 50 000 turkeys, but permit application is for 60 000 turkeys).

Please provide above information by 13 February at the latest.

Upon the receipt of this information I will progress towards Duly Making your application.

Please feel free to contact me if you have any questions.

Best wishes,

Una
