Dear Miranda,

Further to the Environmental Permit Application (reference EA/EPR/DP3734DC/V002) made to increase the annual waste input at Walleys Quarry Landfill Site from 250,000 tonnes to 300,000 tonnes, submitted on the 12th December 2018.

On behalf of Red Industries we confirm that the applicant now wishes to amend the current application to increase the annual waste input to the Site from 250,000 tonnes to 400,000 tonnes.

If you have any questions regarding the above please do not hesitate to contact myself or Jon Clewes of Red Industries.

Regards,

David Wolstencroft
